Drakes Broughton, Wadborough with Pirton Parish Council

The Council meets on the first Thursday of every month, members of the public are welcome to attend to bring things to the attention of the Parish Council. In order to ensure any items for discussion are researched and included in the agenda please get in touch with the clerk about attending one week prior to the meeting.

The next meeting will be on Thursday 3rd July at Drakes Broughton Village Hall, please advise the Clerk if you wish to make representations.

PLEASE NOTE AUGUST MEETING WILL BE HELD ON THURSDAY 31st JULY

The key points from the June meeting and ongoing issues the Parish Council is currently working on include:

- **HELP YOUR VILLAGE NEEDS YOU!** We were very pleased to welcome 2 new members to the Parish Council at the meeting in June. We still have 2 vacancies, 1x WADBOROUGH WARD & 1x PIRTON WARD. Please contact the Clerk or talk to one of the Members if you want to know what's involved or maybe come along to observe a meeting. We can only deliver our services with a full and active membership!
- **PLAY PARK & VILLAGE HALL CAR PARK** – The car park has been repainted and marked up, please only use the Village Hall spaces if you are attending something at the Village Hall, the other spaces nearer the Play Park are the Community Spaces and these should be used if you are not hiring or attending the Village Hall.
- **VE DAY CELEBRATIONS** – There was a fabulous turn out at each of the three Villages VE Day celebrations, it was fantastic to involve the school children in Drakes Broughton, well done to all organisers and thank you to the attendees!
- **SPEEDING!** The Community Speed Watch is in danger of being disbanded due to lack of volunteers, if you are concerned regarding speeding in Drakes Broughton and can spare an hour, please get in touch ASAP!
- **SEVERN TRENT WATER** – The members remind you to please report any and every sewerage event directly to STW. Please be advised that STW are progressing the infrastructure project and have been completing surveys. Please also report to the EA incident number 0800 807060
- **STREETLIGHTS** - The Parish Council owns and maintains many of the Streetlights in Drakes Broughton. Please report any unlit or flickering streetlights to the Clerk. Thanks in advance!
- **OPEN SPACE DEVELOPMENT PROJECT DRAKES BROUGHTON**
(improving facilities on the Parish Council owned playing field in Drakes Broughton). Work to remove the old garages and clear the overgrown vegetation from the land at the back of the village hall is progressing.

- **LENGTHSMAN** - *It is with great sadness that we learnt of the death of Brian Arrowsmith. Brian has been a real friend to us all. He has been a real community champion, quietly, carefully and very competently looking after so many things in and around our villages in his role the Parish lengthsman, but also voluntarily for many many years. We offer our sincere condolences to his friends and family. He will be really missed.*

Should you have any further queries please don't hesitate to contact me.

Removal of garages and scrub

As part of Phase Two of the Open Space project on the playing fields at Drakes Broughton, we will be progressing with the demolition and removal of the two derelict garages that adjoin the Village Hall car park. This is being done in consultation with the Parish Council, Drakes Broughton Rangers Youth FC and the Village Hall. Please be assured that the necessary checks and surveys have been carried out and that their disposal complies with Health & Safety guidance including the disposal of asbestos.

The Parish Council is also arranging for the overgrown area of bushes and brambles adjoining the garages and running down to the footpath, to be cleared to make space for work connected with Phase Two of the Open Space project including items of equipment and a path around the perimeter of the playing fields. We have consulted and worked with Worcestershire Wildlife Trust to ensure that steps are taken to identify and protect any vulnerable, protected or rare examples of flora and fauna.

Victims of our own success? Help needed

The popularity of the Hall is continuing to grow as a venue for meetings, clubs, classes, parties and other celebrations. In addition to external bookings, we have been able to run many community-based events. The Community Café every Friday afternoon is popular with people of all ages including children taking advantage of the Tuck Shop. Community events have included a Summer Fayre, Christmas Fayre, Tabletop Sales, Quiz Nights, Gardeners' Forum, Healthy Worcestershire Sessions, Hearing Needs Cafes, Wychavon Wellbeing Events alongside the Community Café and, most recently, a very popular and fun Barn Dance. We are always open to new ideas for Community events.

Whilst this is good news, running these events is placing an increasing amount of work and pressure on a very small group of volunteers. We really need some new people to step forward and help with running things at the Hall. This need not be a large commitment in terms of time; perhaps a few hours every now and then to help set up, publicise or help run an event. We have seen many new people move into the area with the new developments and would love to welcome you to get involved.

Are you looking for a meeting room?

If so, the Lewis Room at the Village Hall may be suitable for your purposes. It is set up with tables and chairs and is suitable for meetings for up to 20 people, depending on the chosen layout. It can accommodate more people if tables are not required. The Lewis Room also has a wall mounted 49" TV and comes with a 10m HDMI cable for connecting the TV to a laptop or other device. The TV and room also have Wi-Fi connectivity. If you would like to know about hiring the Lewis Room, please see our website or get in touch via email or phone.

Parking at Drakes Broughton Village Hall.

Car parking for village hall users is now clearly marked "VILLAGE HALL" in three areas. We would ask others parking to use the public parking spaces furthest away from the Hall where it says "keep clear". Thank you for your cooperation.

Healthy Worcestershire – free weekly sessions

The popularity of the Healthy Worcestershire sessions has been increasing since they started last year. The sessions, which are free of charge, take place at the Hall every Wednesday between 10am and midday. The sessions are open to anyone over the age of 18 who is looking to improve their health, get advice on physical activity, healthy living, mental health and more! There is also an opportunity to socialise and have a cuppa.

We start this month's news with grateful thanks CJC Aggregates & Landscaping Supplies for their generous donation of a 'luxurious' chicken coop. Based in Upton Snodsbury, CJC provide a range of high-quality landscaping supplies to help create beautiful outdoor spaces.

Funds raised from the sale of the chicken coop were gifted to Wick Care Farm to support their incredible community work, where adults and young people benefit from farm-based activities that support both physical and mental wellbeing in a safe and welcoming environment.

CJC Director Richard Sadler shared, "We are delighted to be able to help out with the donation of this beautiful chicken coop and hope the funds raised will provide much joy to the children and adults who use Wick Care Farm and also provide some 1st class accommodation for some great chickens!"

May bank holiday Monday was Pershore Carnival Day. Supported again by Pershore Rotary and our popular champagne tombola, we raised a healthy sum for Cheltenham Hospital's Big Space Cancer Appeal, helping to provide resources for local cancer patients and their families.

We are delighted to announce that Jorja Woolston, a student at Pershore High School, has deservedly won a place at the Rotary Youth World Affairs Seminar, to be held at Carroll University, Waukesha, Wisconsin, USA from 21 to 27 June 2025. Jorja will be one of three students from our area attending this prestigious program where students from around the globe will debate "*Peacebuilding: Creating Lasting Change*". Since 1976 the Rotary Youth World Affairs Seminar has provided a unique forum where 40,000 future leaders from 30 different countries have debated some of the most complex global problems in the stimulating environment of Carroll University, Wisconsin. More from Jorja later.

On Saturday, 28 June, Rotary Clubs in Worcestershire are organising a 'Cycling for All' Festival at Evesham's Velopark. Sponsored by Evesham Town Council and Wychavon District Council, the Festival aims to encourage people to get on their bikes and live a healthier lifestyle irrespective of age or ability. In the process, we hope to raise awareness of the many cycling facilities and organisations in Worcestershire.

The day's programme will show that cycling can improve fitness and mental welfare and be fun for all the family with sessions offered free of charge by 'Cycle with Pals' and 'Cycle Stars', together with Bike Bus rides provided by Evesham's Adventure Playground Association. Local cy-

cle retailers, cycling organisations and clubs are being encouraged to join us. Further details of the event and how to get involved can be found by scanning the QR code or by emailing rotarycyclingfestival25@gmail.com.

Free entrance to Evesham's Velopark from 11.00am to 5.00pm. Families can participate in bike decorating and safety workshops, in addition to sessions on adapted bikes, BMX, bike maintenance and safety. All proceeds from the Festival will go to providing adapted bikes for 'Cycle with Pals' and supporting other cycling charities in Worcestershire.

Rotary supports activities that improve education for students and the health and wellbeing of all. If you would like to work with us, we would love to hear from you. Follow us on Facebook, check out our website www.pershorerotary.club or email at secretary@pershorerotary.club.

St Barnabas CE First & Middle School

St Barnabas Day

It was wonderful to have a full hall for our special St Barnabas Day joint service with St Barnabas church on Sunday 8th June. Following an earlier breakfast served by school staff, Rev Emma Goldby led the service, and we reflected on our patron Saint. The children helped share the message of St Barnabas being an 'encourager'. We like to think of all our staff and children as encouragers of one another, through our vision 'Let all you do be done in Love,'. The service which featured a puppet show, bubbles and helium balloons was followed by tea and cake kindly donated by members of the church and Friends of St Barnabas. A huge thank you to all those who helped make this a truly collaborative event. Both school and church work in partnership with one another and it's a benefit of being a church school that we can take our children to church for RE lessons, for moments of awe and wonder and for services. Equally, we are delighted to welcome Barnabas Bear toddler group to school to use our facilities on occasion, and we welcome members of the church community who volunteer in school.

2025 Leavers

It is that time again when we say farewell and good luck to our student leavers at the end of the term. Year 7 and some of our Year 6's are moving on to High School in September to continue their learning journey. All of the children have been a pleasure to have and teach at St Barnabas. We want to wish them all the luck for the future.

Stoulton Parish Council

Parish Meeting updates, Chairman's report:

This year we have sought to address local issues that have been raised from parishioners as well as the wider issues such as the South Worcestershire Develop Plan Review (SWDPR) incorporating the proposed Worcestershire Parkway (WP) Garden Town.

An ongoing concern relates to hedges from private properties overhanging public footpaths, as well as public rights of way across the fields within the parish that have become difficult to walk through. We are seeking to understand how we can address these as a Parish Council and where responsibilities are found between the PC, private residents and landowners.

Traffic levels and the speed of vehicles using the B4084 through Stoulton and on the A44 at the junction of the B4084 remains an issue and the continued increase in new housing in the surrounding areas is clearly adding to the traffic levels.

This year the Parish Council successfully applied for grant money from Wychavon to upgrade the children's play area at Hawbridge including the provision of some new equipment. It required a percentage contribution from the Parish Council which we provided. This has delivered much needed improvement both in terms of the facilities available and overall safety of the equipment.

The revised Stoulton Village conservation area has been in development for some time and proposes an expanded conservation area. It was the subject of a public consultation and the Parish Council has been supportive of the proposal as it gives additional, though not guaranteed, protection against inappropriate development in a much wider area focussing on the history and character of the village and surrounding area. It has now passed all of the hurdles and will be formally adopted this summer. The conservation officer will write to all properties within the new conservation area and I will ask her to include the detail as to what it does and does not mean to reside within it.

The Planning Inspector review of the South Worcestershire Development Plan (including the proposed Worcestershire Parkway Town) had previously been planned for Spring 2024 but was postponed due to the Inspector requirement for South Worcestershire Councils to update and resubmit many of their evidence documents. The Planning Inspector review finally took place February to April 2025. The new government elected in July 2024 has referred to the WP New Town as part of their commitment of building 1.5m homes during this parliament. We have consistently pointed out that, as with the previous government, they also highlight the need to ensure that the right infrastructure is in place!

We now await the outcome of the Inspection but expect this phase to be just the beginning in trying to ensure that the concerns and needs of both current residents of our Parishes and future residents of Worcestershire Parkway are properly considered and addressed.

Other updates

The Parish Council co-opted Mrs Rebecca Rowe on to the Parish Council this month and welcomed her to the group, following the resignation of Mr Andy Walker who was thanked for his time and efforts on the Parish Council.

The Parish Council received the sad news that the lengthsman had passed away and send condolences to all his family.

Date of next meeting

It was agreed that the date of the next meeting will be Thursday 17th July 2025 at 7pm in Stoulton Village Hall. Everyone is welcome to attend

TIMOTHY WALKER

**THE SUBTLE SCIENCE & EXACT ART OF COLOUR IN
ENGLISH GARDEN DESIGN WHY GARDENING CAN
RANK AS A FINE ART**

In 1882 Gertrude Jekyll wrote a short but seminal article in *The Garden* in which she urged the readers to “*remember that in a garden we are painting a picture*”. As an accomplished watercolour artist, Miss Jekyll was familiar with the principles of using colours, but she felt that in gardens these principles *had been greatly neglected*.

Timothy's talk will explore how to apply these principles when designing a border but also examine the ways in which a border is different from a painting. Timothy will go further and demonstrate how the work of artists including Turner, Monet, Rothko and Jackson Pollack evolved in parallel with ideas concerning what a garden or border should look like.

Lecturer, botanist, gardener and author, Timothy Walker is the former Horti Praefectus and Director of Oxford Botanic Garden and a Fellow of the Linnaean Society of London.

St Barnabas Church News

CAFÉ CHURCH – 6th JULY

Join us from 10:30am for tea/coffee and pastries followed by an informal worship 'café style'

If you are looking to bring your children to church this may be a good place to start.

Meanwhile, for those who wish for a more traditional service, there is always the Holy Communion service at the parish church of St Edmunds, Stoulton at 9.30am

Church/School partnership

What a fantastic joint service we had in June to celebrate St Barnabas and Pentecost. Breakfast was served at 9.30am followed by a lively worship in the school hall led jointly by the school children and church family. The friends of St Barnabas School served refreshments after the service and a great time was had by all. We cannot wait for the next joint service. Watch this space.

Art Group

Meeting every Wednesday in church from 10.30am. You don't have to be a whizz at art. We have people who knit, crochet, collage, arrange flowers, draw and paint as well as those who simply want to meet together for a bit of a chat and catch up. The art group are responsible for most of the displays in the cabin in the church sounds. Why not come along. A good chance to meet old friends and make new ones.

COFFEE MORNING – 5th JULY

10:30am – 12pm

All welcome for tea/coffee and homemade cakes.

Ploughman's Lunch and social

Tuesday 8th July

12pm – 2pm

Donations towards church funds.

Help is always welcome.

Barnabas Bear Club

For babies and toddlers and their parents/carers.

Meeting every 2nd and 4th Monday monthly.

Playtime, singing, story time and craft and above all lots of fun. These sessions are FREE

July 14th and 28th

One of these sessions will be in the Rectory Garden. Please keep an eye on our social media pages.

Church open

The church building is open every Sunday after worship until sunset. This is a wonderful opportunity if you are out and about in the village, to pop in and take a look. You can sit quietly and light a candle for a loved one if you wish.

Please feel free to sign our visitors book in the porch.

Choir

Do you enjoy singing? Why not join our friendly choir. We meet in church on Thursday lunch time at 12.30pm.
